Welcome to UBSS

Student success at UBSS is supported by a world class team of mostly PhD specialised academics and student support staff. We are committed to students seeking to build or further their business leadership and accounting careers, based on an international education with an Australian experience, leading edge innovation and digital technology for those who want to be job ready when they graduate.

Part of our global citizenship is a student body that reflects the multicultural make-up of both the high growth Asia Pacific region and the immediate surrounds of Sydney. The UBSS experience brings together international education, a solid Australian business foundation with colleagues and alumni who will form the basis of your long term friendships and business contacts.

Set in the heart of Sydney's education precinct, UBSS' GCA Campus offers students more than world class education. It is also surrounded by a bustling, cosmopolitan, inner city dining and shopping experience, only metres from a major train station hub. With multiple bus routes also accessing the campus, students are assured of safe and reliable transport options.

We look forward to welcoming you and supporting your career success.

International Education with an Australian Experience!

Professor Greg Whateley
Executive Dean

Why study in Australia?

"Australia is a stable, democratic and culturally diverse nation with a highly skilled workforce and one of the strongest performing economies in the world. It is the fourth largest economy in the Asian region and is the 12th largest economy in the world. Australia is a nation of boundless opportunity in a country of endless potential—a nation that is 'open for business'. It is located near Asia, one of the fastest developing regions, so has immediate ties to most powerful economic hubs in the world and acts as a 'bridge' between Asia and the West. Studying in Australia will provide you with wonderful opportunities and experiences, as well as world-class education.

<http://dfat.gov.au/about-australia/pages/about-australia.aspx>

- **Global Recognition** - "Degrees from Australian schools are recognized all over the world. Graduates from Australian schools are highly sought after by both Australian and international employers. This is due to the impressive international reputation of the Australian education system" https://www.internationalstudent.com/study_australia/why_study_australia/global-recognition/
- **Growing Destination** - Australia is currently the third most popular destination for international students in the English-speaking world, behind the United States and the UK. Many international students choose to study here because of the cultural diversity, friendly people, and high quality of education. "Sydney is the world's most popular destination for international students." <http://dfat.gov.au/about-australia/pages/about-australia.aspx>
- **Multicultural Society** - "Australia is multicultural and multiracial and this is reflected in the country's food, lifestyle and cultural practices and experience. This diversity of influences creates a cultural environment in Australia that is lively, energised, innovative and outward looking". Australians value the wealth of cultural diversity and social sophistication that international students bring to the campuses and communities. <http://www.australia.gov.au/about-australia/our-country>
- **Safe environment** - Australia is one of the safest countries in the world. Crime and political unrest are limited and we have low crime rates and strict gun control laws providing a safe environment for international students. A recent study places Sydney and Melbourne among the top 10 safest cities in the world. <http://safecities.economist.com/safe-cities-index-2017>
- **Cost of Living** - "Australia's standard of living is amongst the highest in the world. Living expenses and tuition costs are considerably lower in Australia than they are in the United States and United Kingdom". http://www.internationalstudent.com/study_australia/why_study_australia/cost-of-living/
- **Work** - Students visiting the country are allowed to work up to 40 hours per fortnight while they are studying in Australia. "Working while you study in Australia can help complement your study and living experience. There are a number of reasons you might want to undertake part time work while studying in Australia, including assisting with living expenses and gaining work experience in your study area." https://www.internationalstudent.com/study_australia/why_study_australia/global-recognition/

About UBSS

The Campus

The UBSS campus is situated in the World Square precinct. Located on 233 Castlereagh Street in Sydney, UBSS is in the heart of the city, conveniently located near shopping venues, restaurants and famous Sydney attractions such as Hyde Park, Darling Harbour and Chinatown. It is easily accessible being just a five-minute walk from Town Hall station.

Courses

We offer higher degree courses in Accounting and Business. From higher education Diplomas, to Bachelor and MBA degrees. All of our courses will provide you with the necessary skills and knowledge to launch your career.

Facilities

The UBSS campus is equipped with free Wi-Fi throughout and has:

- Modern spacious classrooms
- Computer labs
- Printing and CD burning facilities
- Interactive Whiteboards
- Quiet rooms for studying
- Student Information and IT support services
- Free Wi-Fi

Online Student Administration

MyGCA is the online administration system of UBSS. It allows students to access their academic details 24x7 via the internet. Students can view, print and update their details online, without having to wait in queues. The types of information that are accessible include:

- Student emails
- Enrolment details
- Timetables
- Start date and end date
- Financial status
- Contact details (can update)
- Results
- Academic transcripts
- Holiday certificates
- Study support system (Moodle)
- E-library databases

Accreditation

The Bachelor of Accounting at UBSS is professionally accredited by the CPA Australia (CPA), the Institute of Public Accountants (IPA) and Chartered Accountants Australia and New Zealand.

Workplace Integrated Learning (WIL)

In line with the focus on graduates being 'workplace ready' UBSS has embarked on a program of developing a number of initiatives in the area of workplace integrated learning (WIL) in order to enhance the experiential learning for students. The initiatives are intended to broaden student understanding of business and accounting theory through practical work based applications. Some of these initiatives include the extensive use of case studies; the introduction of online business simulation competitions; and class presentations of real business cases by executives of prominent Sydney based companies

E-Learning Resources

In keeping with best practice at major universities in Australia and overseas, UBSS students have access to online databases via their MyGCA account. The E-Learning Resources Centre includes an online database of scholarly articles, journals, periodicals, essays and other works which can be accessed for the purposes of study and research in your particular field of interest.

The databases Proquest, Oxford Reference Online, Informit, Gale and Emerald are geared toward the Higher Education market, and include databases on Business and Management. UBSS students are also able to study in the state-of-the-art e-Resource Centre, which is a dedicated learning space for UBSS students, where students are encouraged to study in groups and review resources between classes.

Student Welfare

We have a team of dedicated Student Services staff who are there to assist students with their orientation to UBSS. They can help with general enquiries and those specific to:

- Payment of fees
- Subject selection
- Visa
- Homestay arrangements
- Living in Sydney

Technology at UBSS

Interactive Whiteboards

UBSS uses cutting edge Interactive Whiteboards technology in its classrooms to maximise the learning potential for students. All classrooms are fitted out with Interactive Whiteboards that allow active student participation, both in class and later, at home. All lesson material written on the board is saved and uploaded to Moodle (online-learning platform) to view at home.

Why Use Interactive Whiteboards?

- Ideas and changes can be added, saved and captured without losing the original concept
- Any computer-based program can be accessed and used as a learning tool in the classroom: eg. Powerpoint, Excel, Dreamweaver, Photoshop etc.
- The internet can be accessed as a resource in class
- Interactive activities involve students in the teaching learning cycle in the classroom
- Graphics and colours allow students to explore their creativity
- Multimedia enhanced learning

Moodle

Moodle is an online learning tool used for all subjects offered by UBSS. All subject materials are placed on Moodle and it is used as a learning resource by lecturing staff. A number of UBSS staff now conduct surveys and examinations on Moodle.

Computer Labs & Laptops

Computer laboratories with the latest hardware and software add the finishing touch to a modern college dedicated to the education of its students and serving their needs. All students have a college email address and free access to the computer labs and the internet.

Software & PCs

For student use UBSS has powerful and stylish iMac 21.5 inch models all running on Windows 7 and using Microsoft Office 2010 Professional.

Students have unlimited internet downloads on both on-site workstation use and Wi-Fi.

Computers in UBSS are loaded with Adobe® Master Collection CS6. Students have access to full versions of: InDesign CS6, Photoshop CS6 Extended, Illustrator CS6, Flash CS6 Professional, Dreamweaver CS6, Acrobat X Pro.

Entrepreneurship at UBSS

Entrepreneurs are frequently thought of as national assets to be cultivated, motivated and remunerated to the greatest possible extent.

Entrepreneurs can change the way we live and work. If successful, their innovations may improve our standard of living. In short, in addition to creating wealth from their entrepreneurial ventures, they also create jobs and the conditions for a prosperous society

<http://www.investopedia.com/articles/personal-finance/101414/why-entrepreneurs-are-important-economy.asp>

At UBSS we also provide the learning environment for the entrepreneurs of the future. In addition to the standard and core Bachelor of Business subjects, we offer our business students access to entrepreneurship subjects such as: Innovation and Entrepreneurship, Corporate Entrepreneurship, Leadership and Sustainability and Team Leadership & Change Management.

These subjects are specifically designed for students interested in new business creation and they also provide an introduction to students interested in progressing to our MBA for entrepreneurs.

Entrepreneur Profile

Alan Manly is a founder and Managing Director of Group Colleges Australia which includes UBSS. He is responsible for the corporate planning and governance of the group of companies. GCA incorporates two Registered Training Organisations, five colleges, offering accredited pathway courses including English Language, Vocational Education, and Higher Education.

Alan is an entrepreneur, innovator, businessman and published author with over thirty years experience in the technology and education industries.

Alan is one of those exceptional entrepreneurs you have never heard of – unheralded – uncelebrated – unlikely – quietly going about the task of creating a viable, thriving business out of thin air. His latest book “The Unlikely Entrepreneur” is a funny, unforgettable, compelling and true story of a man who had none of the qualities considered necessary for an entrepreneur, but was able to amass significant success creating his own business empire.
