Acknowledgement of Country

We acknowledge the Traditional Custodians of the lands and waters across Australia where our campuses are located and where we gather to meet and learn. Today, I honour the Gadigal people of the Eora Nation, on whose land we are based and all the lands we gather from today.

We pay respect to Elders past and present, whose wisdom, cultural heritage and care for these lands have guided countless generations, just as we strive to guide our students. Inspired by their commitment to learning and community, we walk together toward a future of mutual respect, understanding, and shared opportunity.

This will help simplify information management for students, education providers and the Australian government.

For students who will graduate after 1 January, 2023 the Australian government requires all students to have a Unique Student Identification (USI) number. The USI will create a single government identifier for your entire tertiary education journey wherever you study in Australia. This will help simplify information management for students, education providers and the Australian government.

What do you need to do?

You will need to read and accept the [\(USI\) Terms and Conditions](#) to use the USI portal.
